

Desktop Power Center Slim

Power Within Reach

Bring power and charging right up to desktops and workstations with a sleek, easy-to-install solution that mounts directly on surfaces and minimizes cord clutter. Perfect for desks, tabletops and workstations.

Your favorite DPC now faster with 65W.

Charge laptops and mobile devices — no adapter needed.

15W & 65W Devices: Wattage options for the power your space needs

USB Type-C and USB Type-A: Modern performance with built-in legacy support

Intelligent, energy-efficient charging: Automatically recognizes devices and adjusts charging speed

Sleek, space-saving design: Slim profile integrates cleanly into any workspace

Easy connections to power sources: All models include a 6' 14-gauge cord with plug; 15W units offer a 10' cord option.

Modern finishes: Two color choices that complement any environment

Perfect Price Point: Premium performance without painful markup

Simple, flexible installation: Mounts on furniture, forward or downward, for easy plug and play

MOUNTING OPTIONS

1) Surface Mount (clamp-on install)

2) Edge Mount (clamp-on install)*

3) Surface Mount (screw-in install)*

4) Edge Mount (screw-in install)*

5) Under Table Mount (screw-in install)*

**Mounting option 1 can be installed for all models without purchasing a mounting kit. Accessories for mounting options 2-5 are included in device purchase for 15W options, but require purchase of an additional mounting kit (WSPCBKTL) for 65W models.*

Desktop Power Center Slim
